### Day 2: Budapest

Budapest is actually two cities separated by the Danube. The old city of Buda and the imposing Royal Palace dominate the city with stunning views across the Danube to the commercial heart of Pest. Our city tour includes the Castle District, St. Mathias Church and a panoramic view of the city from Gellert Hill. We will also see the Citadel, the Opera House, St Stephen's Cathedral, Heroes Square and the City Park.

The rest of the day is at leisure. Stroll along the banks of the Danube, visit the historic Great Market Hall with its endless variety of delicious foods and wines, or head to one of the city's famous thermal baths for a rejuvenating dip. Alternatively, relax at the hotel and indulge in the hotel's luxurious spa.

### Day 3: Keszthely & Tapolca

Following breakfast at the hotel, transfer to Budapest Nyugati station to enjoy a morning drinks

reception in the impressive Royal Waiting Room before boarding the *Golden Eagle Danube Express*.

A brass band strikes up as the *Golden Eagle Danube Express* slowly draws into the adjacent platform. The uniformed train staff will then escort you to your en-suite cabin. As you settle in, our train will thread its way out of Nyugati station we'll make our first journey through the autumn landscapes of Hungary to Balaton Uplands National Park. Emerging from the National Park we'll arrive in Keszthely perched at the very western end of Lake Balaton. This picture-postcard town is filled with grand townhouses and famously the site of Festetics Palace, a lavish baroque home fit for royalty where we will have a short tour of the house and gardens.

From Keszthely, make the short journey by train to nearby Tapolca for a walking tour of the town center followed by a visit to the town's limestone cave system and the opportunity to enjoy a wonderful boating adventure on the crystal-clear waters of Tapolca's Lake Cave.

## Day 4: Sopron & Holloko

In the morning, enjoy a relaxed walking tour in the historic old town centre of Sopron, with the 13th century Fire Tower as its central landmark. Return to the train in time for lunch on board and spend an afternoon traveling through the autumnal landscapes of the Hungarian countryside.

Arrive in the afternoon to the World Heritage Site of Holloko, which is a traditional Hungarian 'Paloc' village of white-washed houses with verandas, wooden balustrades, and hipped roofs. Enjoy a special dinner in the heart of the village with a taste of traditional Paloc flavours and cooking.

## Day 5: Eger, Lillafured, & Aggtelek

In the morning, visit Eger, a city full of legends. Enjoy a walking tour of the town best known for its castle, thermal baths, baroque buildings, and the northern-most Ottoman minaret. Following the visit to Eger, take a delightful narrow-gauge train ride from Lillafured through the striking autumnal forests of the Bükk National Park, a Hungarian hidden treasure.

Complete the day with an exclusive visit to the UNESCO World Heritage Site cave system at Aggtelek. It is the largest stalactite cave system in Europe, with more than 14 miles (23 km) of charted pathways and truly spectacular cave formations.

## Day 6: Hortobagy National Park & Tokaj

In the morning, enjoy an early visit to the Hortobagy National Park, a vast steppe in Eastern Hungary, where Hungarian native animals such as the grey cattle still live. After breakfast on board, arrive to the Opusztaszer National Park where you have the opportunity to view the Feszty Panorama, an oil-painted panorama depicting the 'Arrival of the Hungarians'. It details the beginning of the Hungarian Conquest of the Carpathian Basin in the year 896 and was completed in 1894 to commemorate the 1,000th anniversary of the event.

From here, travel by coach to nearby Szeged to have a sightseeing tour of the city, notable for its pretty squares and tree-lined boulevards. During our tour we will have the opportunity at lunch to taste food specialties of the region in a traditional local restaurant.
