The Tour

Take a step back in time on this overnight trip aboard the *Venice Simplon-Orient-Express*. The Paris-Verona-Venice route is the "Classic" journey on the *VSOE*, and its most frequently-run itinerary.

See Dates & Prices section for more information about different routings offered, including Paris to Florence, Paris to Rome, Paris to Cannes, Paris to Innsbruck, more.

Depart Paris in the afternoon for your luxurious overnight journey to Verona or Venice, where you arrive late afternoon or early evening the next day. Soak in the train's ambience with gourmet meals and superior service while taking in Europe's beautiful and historic scenery.

Beginning in 2024, the *VSOE* will operate the majority of its departures out of Paris Austerlitz (select departures will operate out of Gare de l'Est). These details will be reconfirmed before you travel.

Itinerary

Day 1: Board in Paris

Mid-afternoon, privately transfer to the train station to board the gleaming blue and gold carriages of the *Venice Simplon-Orient-Express.* Shortly after boarding, the maître d' will stop by to confirm your dining preferences and advise which of the restaurant cars you'll visit that evening.

Throughout your journey you will be attended by your own personal Steward. After you have settled into your comfortable private cabin, it will soon be time to dress for dinner. Why not sip a pre-dinner cocktail before making your way to one of the magnificent restaurant cars? Here you

will be served a delicious four-course dinner, prepared by our skilled French chefs. After dinner you may want to linger in the bar car, listening to the sound of the baby grand piano. When you are ready, retire to your cabin, which has now been transformed into a cozy bedroom.

Day 2: Disembark in Verona or Venice

Awaken to magnificent mountain and country scenery as breakfast is served in your cabin at a time to suit you. (This is something we love.) Spend the morning in the Bar Car chatting to fellow guests over coffee. Enjoy a leisurely three-course lunch served in another of the beautiful restaurant cars. While away the afternoon with a visit to the on-board Boutique to purchase souvenirs, or relax in your cabin with afternoon tea, admiring the passing scenery.

All too soon it is time to disembark at either Verona Station mid-afternoon or enjoy the train crossing the Venetian Lagoon and into Venice's Santa Lucia station around 6 p.m. For guests traveling on to Venice, enjoy a complimentary shared transfer to your hotel.

Please note: The *Venice Simplon-Orient-Express* route is subject to change without prior warning due to last minute railway engineering works or similar.
