GRAND SUITES

THE NEW GRAND REFLECTION

OF HIGHLAND EXCELLENCE

A SEAMLESS SYMPHONY OF
TIMELESS SCOTTISH TRADITION AND
A PIONEERING VISION OF LUXURY,
OUR NEW GRAND SUITES TAKE YOUR
HIGHLAND ADVENTURE TO GREATER
HEIGHTS OF INDULGENCE.

Joining the rake from May 2024,
two exceptional new Grand Suites will
complement the existing Twin and
Double cabins.

The spacious interiors are rich in references to Scottish culture and reflect the passing landscapes. Patterns echo Edwardian elegance as Pictish stones, dark woods and local stones sit side by side with rich and sophisticated tweeds. Decorative elements in carved pewter adorn the lamps and tables. The design of the furniture and lighting is directly inspired by the Scottish islands. Together, the design elements conjure a sense of enrapturing myth and cinematic drama, while fostering the feel of a private club where members join together in a convivial spirit.

TARTANS AND TWEEDS

Across all of the tartan designs the tram lines depict the train tracks that carry the passengers on their journey across Scotland. Within the main check block of the designs there is a 37 thread block of colour subtly depicting the 37 years the train has been running since 1985.

The style of the tweed was selected as the blocks of colours subtly reflect train tracks and the colours aim to capture the changing mood of Scotland's incredible landscape and weather.

The Grand Suites will be larger than a regular cabin with fixed double beds, dressing table, wardrobe, dining table and two chairs, sofa and a bathroom with shower, basin and WC.
